LABORATORY STOOL

It is a high-quality, durable, and comfortable stool designed for use in laboratories, clinics, and other professional settings. The stool features a sturdy metal frame, a high backrest, and adjustable armrests. The seat is made of a soft, padded material for added comfort. The stool is easy to assemble and disassemble, making it a convenient choice for busy professionals.

The stool is available in a variety of colors, including black, white, and grey. It is also available in different sizes to accommodate a range of users. The stool is a great investment for anyone who spends a lot of time sitting at a desk or in a laboratory.
